Logic Questions Based on New Testament Stories

Ages 12-14 | Student Version

Name: _____ Date: _____

Question 1

Setup: The Parable of the Lost Sheep (Luke 15:4-7): A shepherd has 100 sheep • One sheep gets lost • The shepherd leaves the 99 sheep to find the one lost sheep • He finds the lost sheep and brings it back

Question: After finding the lost sheep, how many sheep does the shepherd have total?

A) 99 sheep
B) 100 sheep
C) 101 sheep
D) Cannot be determined

Question 2

Setup: Feeding of the 5,000 (John 6:1-14): A boy has 5 loaves of bread and 2 fish • Jesus feeds 5,000 men with this food • The story says "five thousand men, besides women and children" were fed • After everyone ate, 12 baskets of leftovers were collected

Question: Which statement must be true based on this account?

A) Exactly 5,000 people were fed
B) More than 5,000 people were fed
C) Fewer than 5,000 people were fed
D) The boy had 12 loaves originally

Question 3

Setup: The Good Samaritan (Luke 10:30-37): A man traveling from Jerusalem to Jericho is robbed and injured • A priest passes by without helping • A Levite passes by without helping • A Samaritan stops and helps the injured man • The Samaritan takes the man to an inn and pays for his care

Question: How many people saw the injured man before the Samaritan helped him?

A) 1 person
B) 2 people
C) 3 people
D) 4 people

Question 4

Setup: The Prodigal Son (Luke 15:11-32): A father has 2 sons • The younger son asks for his inheritance early • The father divides his property between both sons • The younger son leaves and spends all his money • The older son stays and works for his father

Question: How many sons received inheritance from the father?

A) 0 sons
B) 1 son (only the younger)
C) 2 sons (both)
D) Cannot be determined from the story

Question 5

Setup: Walking on Water (Matthew 14:22-33): Jesus sends his disciples ahead in a boat • There are 12 disciples in the boat • Jesus walks on water to meet them • Peter gets out of the boat and walks on water toward Jesus • Peter begins to sink and Jesus helps him back to the boat

Question: After Peter gets back in the boat, how many people are in the boat?

A) 11 people
B) 12 people
C) 13 people
D) 14 people

Question 6

Setup: The Wise and Foolish Builders (Matthew 7:24-27): One man builds his house on rock • Another man builds his house on sand • Rain falls on both houses • Floods come to both houses • Winds blow on both houses • The house on rock stands firm • The house on sand collapses

Question: Which weather events did the house on rock experience?

A) Only rain
B) Only floods
C) Rain and floods only
D) Rain, floods, and winds

Question 7

Setup: Zacchaeus (Luke 19:1-10): Zacchaeus is a tax collector • He is short in height • Large crowds block his view of Jesus • Zacchaeus climbs a sycamore tree to see Jesus • Jesus sees him and calls him down

Question: What is the logical reason Zacchaeus climbed the tree?

A) He wanted to pick fruit
B) He was hiding from Jesus
C) Being short, he needed height to see over the crowds
D) The tree was in his way

Question 8

Setup: The Ten Lepers (Luke 17:11-19): Ten men with leprosy ask Jesus for healing • Jesus heals all 10 men • Jesus tells them to show themselves to the priests • All 10 men leave to go to the priests • Only 1 man returns to thank Jesus

Question: How many healed men did NOT return to thank Jesus?

A) 1 man
B) 9 men

C) 10 men
D) 11 men

Question 9

Setup: The Parable of the Talents (Matthew 25:14-30): A master gives talents (money) to 3 servants before traveling • First servant receives 5 talents • Second servant receives 2 talents • Third servant receives 1 talent • The master returns and asks for an accounting

Question: How many total talents did the master originally distribute?

A) 3 talents
B) 5 talents
C) 7 talents
D) 8 talents

Question 10

Setup: The Workers in the Vineyard (Matthew 20:1-16): A landowner hires workers at different times • Group 1: Hired at 6 AM for 1 denarius per day • Group 2: Hired at 9 AM • Group 3: Hired at 12 PM • Group 4: Hired at 3 PM • Group 5: Hired at 5 PM • At 6 PM, all workers receive 1 denarius each

Question: Which group worked the longest hours?

A) Group 1 (hired at 6 AM)
B) Group 2 (hired at 9 AM)
C) Group 3 (hired at 12 PM)
D) All groups worked the same hours

Question 11

Setup: The Twelve Apostles selection (Mark 3:13-19): Jesus calls his disciples to him • He appoints 12 of them to be apostles • The list includes: Simon Peter, James, John, Andrew, Philip, Bartholomew, Matthew, Thomas, James son of Alphaeus, Thaddaeus, Simon the Zealot, and Judas Iscariot

Question: If Jesus had 120 disciples following him, and he chose 12 to be apostles, how many disciples were NOT chosen as apostles?

A) 12 disciples
B) 108 disciples
C) 120 disciples
D) 132 disciples

Question 12

Setup: Jesus Clears the Temple (John 2:13-16): Jesus enters the temple in Jerusalem • He finds people selling cattle, sheep, and doves • He finds people exchanging money • Jesus makes a whip from cords • He drives out all the sheep and cattle • He scatters the coins of money changers • He overturns their tables

Question: Which items did Jesus specifically drive out of the temple?

A) Only the sheep
B) Only the cattle
C) The sheep and cattle
D) The sheep, cattle, and doves
